Homes for Our Troops (HFOT) is a privately funded 501(c) (3) nonprofit organization building specially adapted, mortgage-free homes nationwide for the most severely injured Veterans from Iraq and Afghanistan. These homes restore some of the freedom and independence our Veterans sacrificed while defending our country, and enable them to focus on their family, recovery, and rebuilding their lives. Since its inception in 2004, over 90 percent of donations to Homes for Our Troops has gone to directly support Veterans. Visit www.hfotusa.org for more information.

In 2002, Pat Tillman proudly put his NFL career with the Arizona Cardinals on hold to serve his country. Family and friends established the Pat Tillman Foundation following Pat's death in April 2004 while serving with the 75th Ranger Regiment in Afghanistan. Created to honor Pat's legacy of leadership and service, the Pat Tillman Foundation invests in military veterans and their spouses through academic scholarships—building a diverse community of leaders committed to service to others. Visit www.patillmanfoundation.org for more information.

* Power Products will donate an amount equal to the dollar value of your opening order. For example, an opening order for \$2,500 will result in a donation for \$2,500 to the organization you select. A minimum order of \$500 is required and the program will run through December 31, 2015 or until the donation limit of \$50,000 is reached.
