Headache Free Warranty Program

- Our low defect rate results in fewer returns and higher customer satisfaction.
- Our flexible and no-hassle warranty policy allows return for credit or replacement.

The 5 objections we hear most often.

And our answers to them...

- I only buy OEM accessories.
 - We deliver quality products backed by a solid warranty and at prices that can increase your margins. Why not try us, even if only to ensure you have a reliable second source?
- I've been burned by aftermarket products in the past.
 - Our track record of success for the past +25 years demonstrates we're a partner you can have confidence in.
- I already have an aftermarket audio supplier?
 - Can they also support you with a complete line of two-way radio batteries and chargers to simplify your purchasing and minimize your delivery cost?
- You don't have the models or feature I need.
 - What is it you need? Let us provide you with a sample for approval and get started.
- I need a 3-year warranty.
 - Done! Your 3-year warranty on audio products is ready to roll with your order.

We welcome sample requests for audio accessories!

Checkout our product listing and let us know what item you'd like to evaluate. In most cases, we'll ship the sample the same day requested.

Did you know Power Products also offers **AUDIO ACCESSORIES** for two-way radios?

**Speaker Mics
Earpiece Headset
Surveillance Kits**

Available for Motorola, Kenwood, Harris, Hytera, Icom, Tait, and Vertex radios.
