

# PolyMax HPC™

Lithium Polymer • Maximum Energy

## High Capacity LiPo Batteries

Batteries with PolyMax HPC™ lithium polymer cells are best-in-class products with ultra-high capacity. Key benefits include:

- Longer runtimes compared to other two-way radio battery options.
- Greater cycle life compared to Li-Ion cells (500+ vs. 300).
- Extended warranty – 24 months for capacity and 24 months for materials and workmanship. (See warranty statement for details.)

Part Number	Radio Reference	Capacity
PM8299LIPXT	Motorola XTS3000, XTS3500, XTS5000	4600 mAh
PM9858LIP	Motorola XTS1500, XTS2500, MT1500	4100 mAh
PM9013LIP	Motorola HT750, HT1250, PR860	4100 mAh
PM1912LIP	Harris P5100, P5200, P7100, P7200	4100 mAh
PM234361LIP	Harris P5300, P5400, P7300, XG-75P	4100 mAh
PMKNB43LIP	Kenwood NX-210, TK-2180, TK-5210	4100 mAh
PMKNB48LIP	Kenwood NX-200, NX-300, TK-5220	3300 mAh
PMKNB57LIP	Kenwood NX-220, TK-2140, TK-3360	3500 mAh
